Special revenue funds account for revenues from specific taxes or other earmarked revenue sources which by law are designated to finance particular functions or activities of government.

RECREATION FUND - Records the fiscal activity within the County-wide Recreation District.

General Government Activities:

URBAN DISTRICT FUNDS - Bethesda; Silver Spring; Wheaton: These special revenue funds record the fiscal activity related to the maintenance and enhancement of the business districts of these communities.

ECONOMIC DEVELOPMENT FUND - Accounts for the economic development programs of the County, comprised of loans, grants, transfers of property, provision of services, technical assistance, tax credits, rebates and incentives, which are designed to assist private employers who are located or plan to locate or substantially expand operations in the County.

ENTERPRISE FUNDS

Enterprise funds account for operations that are financed and operated in a manner similar to private enterprise, where the intent of the governing body is that the costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges.

LIQUOR - Accounts for the operations of twenty-four liquor stores and the Montgomery County Liquor Warehouse. The Montgomery County Department of Liquor Control has a monopoly on the sale of alcoholic beverages within the County.

SOLID WASTE DISPOSAL - Accounts for the fiscal activity of all solid waste disposal operations, including recycling, for the County. The fund utilizes the Dickerson, Maryland Resource Recovery Facility for refuse incineration, in combination with the out-of-County landfill haul and local recycling operations, to meet its disposal and recycling requirements.

SOLID WASTE COLLECTION - Accounts for the fiscal activity related to County contracted refuse collection within the Solid Waste Collection District. This district is essentially comprised of the higher density, non-municipal, residential areas of the County.

PERMITTING SERVICES - Accounts for most of the fiscal activity of permitting programs within the County, such as building permits, construction code enforcement, flood plain management, land use compliance, plan review, sediment control, stormwater management, well and septic regulatory services, fire code review, and public access construction.

COMMUNITY USE OF PUBLIC FACILITIES - Accounts for the fiscal activity related to renting public facilities to community organizations.

PARKING ACTIVITIES - Account for the fiscal activity related to serving the parking needs of the people who work and shop in the four central business districts zoned for commercial or industrial use identified as Silver Spring, Bethesda, Wheaton, and Montgomery Hills.
